EDUCATIONAL QUALIFICATION

Qualification	College/ School	Board/ University	Year of passing	Percentage / CGPA
Undergraduate	Malla Reddy Engineering College for Women	JNTU Hyderabad	2026	8.43 CGPA
12th	Sri Chaitanya Junior College	BIEAP	2022	93.7%
10th	Sri Chaitanya Olympiad School	BSEAP	2020	10 CGPA

INTERNSHIPS

Company: Infosys

Role: Data Analyst

Duration: 2 months

- Designed and developed interactive dashboards using Power BI, incorporating diverse visualizations to effectively present insights from complex datasets.
- Conducted data cleaning and preprocessing to ensure accuracy and reliability of data prior to analysis and visualization.
- Implemented data modeling techniques and established dynamic row-level security (RLS) for secure and personalized data access.

PROJECTS

1. Title: IMDb Sentimental Analysis Using ML

- Worked on IMDb reviews using ML techniques like Naïve Bayes and Logistic Regression

2. Title: A Novel Speech Intelligibility Enhancement Model based on Canonical Correlation and Deep Learning

- Focuses on denoising the speech using Deep Learning Techniques

3. Title: Comparative Analysis of Liver Disease Using ML & Deep Learning Techniques

- Analyzed the dataset using various techniques to find the better technique

TECHNICAL SKILLS

Programming Languages : basic C, Core Java, Python
Software tools : HTML, AI & ML
Productivity tools : MS Office, Google sheets, slides, Digital Editors, Power BI

ACADEMIC ACHIEVEMENTS

- Certified by college for the participation in event Future Satra-2K23 in the field of C, Python
- Certified by college for the participation in event MEDHA-2K24 in the field of Power BI

CERTIFICATIONS & WORKSHOPS

- Earned a certification in Generative AI Fundamentals from LinkedIn Learning
- Completed job simulations in Data Analysis and Software Engineering through Forage
- Participated in Data Analytics workshop conducted by Jobaaj Learnings

PERSONAL TRAITS

- Optimistic and Curiosity.
- Strong at group dynamics.
- Adaptability.
- Time management.
- Leadership skills.

HOBBIES

Reading Books.
Listening Music.
Scrolling LinkedIn, Google.
